IN RECOGNITION OF COMMANDER
FRANCIS T. WILLIAMS

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Friday, January 28, 2022

Mr. KEATING. Madam Speaker, I rise today to recognize the life of Commander Francis T. Williams, as the bridge over Scorton Creek in East Sandwich, Massachusetts, is renamed the Commander Francis T. Williams and Sandwich Veterans Memorial Bridge.

Commander Williams was a highly decorated Naval Officer with a decades-long career of service. He served honorably as an U.S. Marine from 1969 through 1975 and was deployed to Vietnam. Commander Williams was commissioned as a Naval Lieutenant in 1994 and was stationed throughout his career in Connecticut, Fort Dietrich Maryland, the National Naval Medical Center, New Hampshire, Italy, and coordinated medical logistics on the USNS Comfort. Commander Williams was deployed to Iraq and served two tours in Afghanistan. His degrees in Pharmacy, Epidemiology, and National Security and Strategy Studies helped him train the Afghan National Army and lead the evacuation of critically wounded personnel.

Commander Williams passed away on February 25, 2013, after a battle with brain cancer and a stroke while on active duty in Afghanistan. It is an honor to again recognize Commander Williams' service to his country as the bridge over Scorton Creek in East Sandwich is renamed the Commander Francis T. Williams and Sandwich Veterans Memorial Bridge.

This bridge is of particular significance to Commander Williams' family as he caught the biggest bass of his life in its shadow. Commander Williams spent much time in the area fishing, canoeing, and being outdoors. The bridge also honors all Veterans from the town for service to their country.

Madam Speaker, I am proud to honor the life and distinguished career of U.S. Navy Commander Francis T. Williams and all Veterans from Sandwich, Massachusetts, who are memorialized by the Commander Francis T. Williams and Sandwich Veterans Memorial Bridge. I ask that my colleagues join me in honoring these brave men and women.

HON. JACKIE WALORSKI

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, January 28, 2022

Mrs. WALORSKI. Madam Speaker, I rise today to recognize the Honorable Daniel A.

Manion as he celebrates his 80th birthday. A lifelong Hoosier, Judge Manion has devoted his life to serving our community and our great nation.

Judge Manion has deep roots in northern Indiana and has played an important part in our region's history. He was born on February 1, 1942, in South Bend to his parents, Clarence and Virginia Manion. Judge Manion graduated from Culver Military Academy in 1960. At Culver, he participated with the Black Horse Troop in the Inaugural Parade for President Dwight Eisenhower in 1957.

Judge Manion matriculated to the University of Notre Dame in 1960, where he was a member of the University's ROTC. During his senior year, he served as Brigade Commander and received the Father John J. Cavanaugh Award. At Notre Dame, Judge Manion was a member of the wrestling and lacrosse teams. He was also a three-time champion of the annual Bengal Bouts boxing tournament. Judge Manion graduated from the University of Notre Dame in 1964 with a degree in Political Science.

Following college graduation, he was a Lieutenant in the United States Army from 1965 to 1966, serving a tour of duty in Vietnam. Later, Judge Manion served as the Director of Industrial Development for the Indiana Department of Commerce from 1969–1973 and earned a Doctor of Jurisprudence degree from Indiana University in 1973. He then served as Indiana's Deputy Attorney General from 1973 to 1974.

In 1978, Judge Manion was elected to the Indiana Senate, where he served until 1982. An avid runner, he earned a reputation for jogging door to door across his district to meet Hoosiers.

Judge Manion practiced law at Doran, Manion, Boynton, Kamm & Esmont from 1974 to 1986, when he was nominated by President Ronald Reagan to serve as a circuit judge on the Seventh Circuit Court of Appeals. He was confirmed in November 1986 and served as an active judge until December 2007 when he took senior status. He still serves in this capacity, regularly hearing appeals.

During his tenure on the Seventh Circuit Court of Appeals, Judge Manion has authored numerous opinions. Additionally, he has mentored 65 law clerks, several of whom have gone on to become judges. Most notably, Judge Manion is the only currently sitting Judge on the Seventh Circuit Court of Appeals to have one of his former law clerks as a colleague—the Honorable Judge Michael B. Brennan. After taking senior status, Judge Manion also was succeeded as an active judge on the Seventh Circuit Court of Appeals by the Honorable Supreme Court Justice Amy Coney Barrett.

Judge Manion is married to his wife, Ann, who serves as President of the Women's Care Center. He has four children; Mary (husband, Tom), Katherine (husband, Joey), Patrick, and Michael; two grandchildren and two more on the way. Madam Speaker, I would like to congratulate the Honorable Daniel A. Manion and his entire family on this momentous occasion of his 80th birthday.

IN RECOGNITION OF SANDRA
"SANDY" DENTY

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Friday, January 28, 2022

Mr. KEATING. Madam Speaker, I rise today in recognition of the career of Sandra "Sandy" Denty, a beloved sixth grade Science teacher at Furnace Brook Middle School in Marshfield, Massachusetts. After thirty-seven years dedicated to her students and her community, Sandy is celebrating a well-deserved retirement.

Sandy has lived in Marshfield for her entire life, where she and her family have been an integral part of the community. Her grandparents founded Marshfield's first grocery store, now the Brant Rock Market. Her father, Fred Parziale, owned barber shops around town and her mom, Dotti Parziale, managed the popular local restaurant Casabrini. Sandy and her husband, Bill, have raised two children. Kali and Billy, with the same values with which they were brought up.

Sandy graduated from Marshfield High School in 1978 and began substitute teaching with Marshfield Public Schools shortly after receiving her bachelor's degree. She made an immediate impact on the school community, and when a middle school science teacher position became available, she jumped at the opportunity.

As a sixth-grade science teacher, Sandy has a unique way of connecting with each child on an individual, personal level; through everything she says and everything she does. Sandy's greatest talent is making others feel special.

Sandy's impact on Marshfield Public Schools reaches beyond the students in her classroom. She is endlessly supportive of her colleagues, running various staff-wide competitions, sporting events and festive programs
